MEMORANDUM OF AMENDED AND RESTATED SECURITY AGREEMENT

This Memorandum of Amended and Restated Security Agreement (this "Memorandum") is executed as of this 7th day of August, 2007, by and among TRINITY RAIL LEASING TRUST II, a Delaware business trust (the "Borrower"), WILMINGTON TRUST COMPANY, as Collateral Agent for the Protected Parties (as defined in the Security Agreement, as defined below) (the "Collateral Agent"), and CREDIT SUISSE, NEW YORK BRANCH (formerly Credit Suisse First Boston, New York Branch), as Agent.

The Borrower and the Agent previously entered into a Security Agreement dated as of June 27, 2002 (the "Existing Security Agreement"). The Borrower, the Agent and the Collateral Agent have now entered into an Amended and Restated Security Agreement, dated as of August 7, 2007 (as from time to time amended, modified or supplemented, the "Security Agreement"), which amends and restates the Existing Security Agreement, and by which (x) the Agent has transferred and assigned to the Collateral Agent, for the continued ratable benefit of the Protected Parties (as defined in the Security Agreement), the security interests granted to the Agent under the Existing Security Agreement in and to the Collateral (as defined in the Existing Security Agreement), and (y) the Borrower has granted a security interest to the Collateral Agent for the ratable benefit of the Protected Parties (as defined in the Security Agreement) in all assets of the Borrower, whether now owned or hereafter acquired, including without limitation, certain railroad equipment and certain leases relating to certain Railcars as described in the Memorandums of Security Agreement listed on Schedule I hereto, and which security interests therein have not, prior to the date hereof, been released by the Agent (all of such railroad equipment and leases that remain subject to the security interests granted by the Existing Security Agreement being collectively referred to herein as the "Railcars" and the "Leases," respectively).

The purpose of this Memorandum is to give record notice of the existence of the security interest of the Collateral Agent in the Railcars and the Leases, and all terms and conditions of the Security Agreement are incorporated by reference herein. This Memorandum does not, nor is it intended to, in any way modify or affect the underlying collateral described in the previously filed Memorandums of Security Agreement listed on <u>Schedule I</u> hereto.

This Memorandum is prepared only for the public record and is being recorded with the Surface Transportation Board pursuant to 49 U.S.C. 11301(a) and the Registrar General of Canada pursuant to Section 105 of the Canada Transportation Act (Canada).
